

Fat Frank

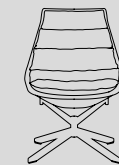

by Krystian Kowalski

Precision of workmanship and maximum comfort of use – the Frank armchair is created in harmony with ergonomics to bring comforts of home into the workplace.

The minimalist design provides us with sophistication of large executive armchairs. With two base types to choose from: classic 4-legged or 4-star swivel frame, Frank can be used in a variety of spaces, such as lounge-

team work- or reception areas. The cushion provided underlines the ergonomics of its design, while tilted seat creates a sense of serenity. Being elegant, it is designed for work as well as relaxation.
